

Fountaine Pajot Astrea 42 for sale in Greece

The **Fountaine Pajot Astrea 42**, built in 2020, is a stylish and spacious sailing catamaran combining excellent cruising performance with exceptional onboard comfort. She offers impressive living spaces and a well-designed layout featuring **four guest cabins**, two additional crew cabins, and **five heads** (4+1), accommodating up to 10 people.

Previously operated as a **charter yacht in Greece**, Nancy is well suited for both private cruising and continued commercial operation.

Her bright panoramic saloon, fully equipped U-shaped galley, and spacious cockpit create a welcoming environment for entertaining and relaxation.

The elevated helm station, comfortable sunbathing areas, and seamless connection between indoor and outdoor spaces make her ideal for extended Mediterranean cruising.

Powered by **twin Volvo Penta D2 40 HP** diesel engines, Nancy offers reliable manoeuvrability and a cruising speed of approximately 8 knots under power.

Her sailing inventory includes a **fully battened mainsail with lazy bag** and **furling genoa**, both from 2020, complemented by **Garmin navigation** instruments, **autopilot**, and **electric winches**.

She is extensively equipped for comfortable and independent cruising, featuring **air conditioning**, a **generator**, solar panels, a **200 L/h watermaker**, two refrigerators, an **electric freezer**, and a fully equipped galley.

Additional amenities include a fixed gangway, inflatable tender, bimini, sprayhood, and spacious outdoor dining and lounging areas.
With 700 litres of freshwater capacity and 470 litres of fuel, Nancy is equipped for extended voyages.

Flying the **Greek flag with professional registration**, she represents an attractive opportunity for buyers seeking a well-equipped cruising catamaran or a vessel with potential for charter operations.
