

1979 Morgan out island 51

1979 Morgan out island 51, standing rigging is less than 5 years old, sails in good condition. Yanmar diesel with 42xx hours, Kohler generator. Boat is a project with tons of spare parts and functional systems.

The boat has chartplotter and Raymarine instruments and auto pilot. It also has a watermaker and marine air-conditioning. All portlights have been replaced with new stainless steel portlights, hatches have been powdercoated and re bedded.

The deck is solid all over and the cockpit has a substantial aluminum frame top and dodger. Most of the work needed is on the interior, the previous owner gutted the port side settee and starboard side pilot berth.
