

The Bavaria 34 for sale is a well-maintained sailing yacht from 1999, meticulously cared for by only **two previous owners** and **never used for chartering**. The boat has recently completed a successful cruising season in Greek waters and is now available for purchase. This **two-cabin** model is in **excellent condition**, having undergone extensive updates, including a **rebuilt engine and sail drive seal, new standing rigging, sails, and a comprehensive epoxy bottom coat with anti-fouling**. The vessel is fully equipped and ready for immediate sailing, making it an ideal choice for anyone looking for a dependable yacht with great performance and comfort on the water.

Bavaria 34 sailboat specifications highlight her robust and reliable construction. The boat offers a stable and comfortable ride, even in challenging conditions. The yacht is powered by a Volvo Penta MD2020 engine, recently rebuilt with only an estimated **450 hours** since the overhaul. The engine is complemented by a **bow thruster, a new propeller**, and a fully serviced sail drive, ensuring smooth and efficient handling. Additionally, her electrical system has been upgraded with **new batteries, solar panels, and an inverter**, making her self-sufficient and well-suited for extended voyages.

The interior of the Bavaria 34 is equally impressive, offering ample space and comfort for extended cruising. The two cabins, along with the saloon, can accommodate up to six people, with **new cushions and memory foam toppers** enhancing the comfort of the forward cabin. The galley is fully equipped with a 12V refrigerator, a two-burner hob and oven, and all necessary kitchenware and linens. The yacht also boasts a comprehensive inventory of tools, spares, and safety equipment, including a life raft, bilge pumps, life jackets, and a full set of navigation instruments.
