

2000 Lagoon 380 for sale in Greece. One owner, never chartered

The Lagoon 380 for sale in Greece, 2000, is a versatile and popular cruising sailboat known for its exceptional comfort, stability, and performance on the water. This compact yet spacious catamaran is designed to provide an enjoyable and luxurious sailing experience for both short trips and long-distance voyages. The catamaran is in perfect condition and has never been chartered.

This catamaran is powered by two reliable 28hp Volvo Penta engines with 1500 hours of use, and recent servicing, including oil, filters, impeller, and saildrive maintenance, ensures continued reliability.

The catamaran comes fully equipped with modern amenities and navigational instruments, including a new mainsail (2023), Bimini, and lazybag. The yacht features a 1000w anchor windlass with a 70m 10mm chain, a fridge, solar panels (400 Watt), and a Yamaha 6hp dinghy engine. Navigational tools include a B&G chartplotter, Furuno radar, Navtex meteorological system, B&G repeaters, depth sounder, boat speed, wind speed, B&G GPS, and a Seacom VHF radio. The antifouling has been meticulously maintained.
