

2001 Jeanneau Sun Odyssey 34.2 for sale in Malta

Description

The **Jeanneau Sun Odyssey 34.2** is a sailboat that offers a balanced combination of performance, comfort, and functionality. Manufactured in the year 2001, this vessel has a displacement of 4,650 kilograms and is stabilized by a ballast weighing 1,520 kilograms.

The boat is powered by a reliable **Yanmar 3GM30F** engine (1566), featuring a 27 horsepower 3-cylinder configuration, with shaft drive propelling a fixed **new 2-bladed propeller**. The powertrain includes a Kansaki gearbox for smooth operation.

Sailing is made convenient with a **Roller Genoa** and a **Slab Reefing Mainsail** equipped with a lazy bag, simplifying sail handling. The galley is well-equipped with an Eno two-burner propane gas cooker that includes an oven and grill combination, alongside a **Frigomatic 12V refrigeration system** and a double stainless steel sink.

The accommodation includes a head with a **Jabsco toilet**, a **holding tank** (fitted), a hand basin, and a shower. **Hot and cold pressurized water** is available throughout the boat, ensuring comfort on extended journeys.

Notable additions to this vessel include a **new Raymarine autopilot**, **chart plotter**, and wind speed system, enhancing navigation and control capabilities. For convenience, a cold water transom shower is installed.

The boat underwent its last survey in September 2021, attesting to its well-maintained condition and readiness for sailing adventures.

Overall, the Jeanneau Sun Odyssey 34.2 is a well-designed and equipped sailboat suitable for cruising enthusiasts.

The boat is located in Malta.
