

2011 Jeanneau Sun Odyssey 409 for sale in Greece

The **Jeanneau Sun Odyssey 409 (2011)** is a well-maintained, performance cruiser that combines comfort, style, and seaworthiness. With a length of 12.34 meters and a beam of 3.99 meters, she offers good sailing capabilities, enhanced by a 2.10-meter performance keel and a reliable Yanmar 40HP engine.

The layout includes **three spacious double cabins and two heads**, comfortably accommodating up to 8 people (6+2 berths).

Both the full batten **mainsail and genoa are in good condition**, and the **Raymarine navigation** suite, complete with GPS, autopilot, and wind/speed/depth instruments, ensures confident handling in any conditions.

Equipped for both relaxation and performance, this yacht features recent upgrades such as a **bow thruster (2024)** and an **electric windlass** with cockpit remote (2025).

The large, ergonomic cockpit is ideal for entertaining, with a folding table, bimini, and sprayhood for added comfort. Solar panels and **air conditioning** in the cabins

provide convenience for extended cruising.

Regularly serviced, this Sun Odyssey 409 is ready to set sail and is perfect for sailors seeking a turnkey vessel for family cruising or island-hopping adventures.
