

2011 Lagoon 380 S2 for sale in Greece

Description

The **Lagoon 380 S2 (2011)** is a well-maintained and spacious sailing catamaran, offering both comfort and performance for an unforgettable sailing experience.

With a **fully battened mainsail and roller genoa (both replaced in 2018)**, it provides smooth and efficient sailing. Measuring 11.55 meters in length with a beam of 6.53 meters, this catamaran ensures excellent stability and generous living space.

It features **four double cabins and two single berths**, accommodating up to **10 people**, making it ideal for family or group charters.

The **two electric heads** and **Corian kitchen countertops** add a touch of modern convenience, while the **hardtop bimini** provides shade and protection in the cockpit.

Equipped with **twin Yanmar 29hp engines**, a **Raymarine navigation system**, and an **autopilot**, the Lagoon 380 S2 offers reliable handling and ease of maneuvering.

The **electric windlass (Quick 1,000W)** and **electric winch for the mainsail** further enhance the sailing experience.

Energy efficiency is supported by a **250W solar panel** and **shore power connections (12V/220V)**.

For added comfort, the boat includes **hot and cold deck showers**, **cockpit cushions (2024)**, and a **sound system with MP3/Bluetooth compatibility**.

A **new SailMarine 3.10 RIB dinghy (2024) with a Honda 2.3hp outboard** ensures easy shore access.

With its blend of performance, comfort, and modern upgrades, this Lagoon 380 S2 is an excellent choice for both relaxed cruising and adventurous sailing.
