

2012 Hanse 385 with 3-cabin version for sale

Hanse 385 with 3-cabin version. A lovely boat with extremely great space for its size. Three full-size double berths and the opportunity of sleeping extra sleeping places for an adult or two children in the saloon. Good standing height in the entire saloon and in all berths, and the deck is at the same height throughout the boat. Well-equipped kitchen with huge fridge with access from above and through the refrigerator door. The fridge has a freezer compartment that works perfectly. New (2021) Eno One stove with two gas plates and oven. Good storage compartments under the sofas and behind the backrests. The lounge table has new, slightly smaller boards in varnished Valcromat for better space when the table is folded up, the original boards are sent with it. Fixed 12v TV with HDMI for cozy movie nights. Mattresses are professionally reupholstered in melange furniture fabric, and all bunks have tailored mattresses.

Lavatory space with good standing height and manual toilet, shower with hot water. Water heater with heating from the engine and 230 v. Septic tank with deck emptying and emergency emptying.

Sprayhood with opening center window and cockpit tent with loose sides. Sprayhood and canopy are much more spacious than the original. Mainsail chapel with lazy jacks. Plenty of space in both the saloon and the cockpit provides fantastic opportunities to spend time with family and guests in port or in a natural harbor, regardless of the weather. Fold-down transom/bathing bridge. The bathing dock makes docking with the stern towards the dock easy. There is a cold water shower on the bathing jetty. Hot water is available by the bathing jetty, new shower unit with a connection for H/C water included.

The boat sails well with stable sailing characteristics. The sails are new for the 2022 season, Mainsail triradial in Laminate with continuous slats, self-tacking jib triradial Vertech Jib with continuous slats, Code 1 on Seldén roller with AT cable in the luff. All sails by Lundh Sails. Peke for Code 1 2022. With the halyards/shoots drawn to the helmsman's place and the autopilot, the boat is easily sailed by one person. The cockpit, together with the sprayhood, provides protected space for family and guests while sailing.

Engine: Volvo Penta D1-30 with S-drive and three-bladed Volvo Penta folding propeller. Retractable bow thruster RMC SwingTruster (later Lewmar) provides easy docking and maneuvering in port. Bellows for bow thruster replaced in 2019, Lewmar Delta 16 kg galvanized anchor in the bow with Lewmar windlass and 8 mm galvanized chain.

Change the instruments to: B&G Vulcan 7 Plotter with Zc2 remote in Navpod. The Triton display on the BB side, Triton display is available for mounting on the SB side by the steering wheel and is included. Simrad AP24 Autopilot controller mounted on SB side together with panel for the bow thruster. Life raft for 6 people included, this is not serviced.
