

2014 Lagoon 39 for sale in Greece

The 2014 Lagoon 39 for sale is a luxurious catamaran designed for comfortable cruising. With its spacious layout, this vessel offers ample room for relaxation and entertaining. The four cabins, including two bow cabins accessible from the forward cabins, can comfortably accommodate up to ten guests. The twin electric heads provide convenience and privacy.

The Lagoon 39 is equipped with modern sailing features, including a battened mainsail and roller genoa, both replaced in 2021. A pair of Yanmar 30hp engines ensures reliable propulsion, while a hydraulic gangway and electric windlass enhance ease of boarding and anchoring. On-board amenities include a hot and cold deck shower, air conditioning, a sound system, and a spacious cockpit with a comfortable sofa.

This catamaran has undergone several upgrades, including the installation of new batteries in 2022 and a full general service for the engines in 2021. Solar panels provide additional energy, while USB sockets and fans in all cabins ensure comfort. The Lagoon 39 is also equipped with a dinghy for exploring nearby areas. With its combination of space, comfort, and modern features, this catamaran is an ideal choice for those seeking a luxurious and enjoyable sailing experience.
