

2016 Bavaria 51 Cruiser for sale in Greece

The Bavaria 51 Cruiser 2016 is a spacious and well-equipped sailing yacht, perfect for extended cruising with family or friends. Measuring 15.77 meters in length, with a beam of 4.67 meters and a draft of 2.25 meters, this vessel offers stability and roominess on the water. The interior accommodates up to 10 people comfortably, with five cabins and three heads, each fitted with an electric toilet and holding tank.

Sailing the Bavaria 51 is efficient and smooth, thanks to its furling mainsail and furling genoa (both from 2016). The 75 hp Volvo Penta D2 engine, with 3,200 hours, provides reliable power when not under sail. Deck features like a double steering wheel setup, electric windlass, bow thruster, and Garmin instruments make handling straightforward. An external Lowrance GPS-plotter and Raymarine autopilot enhance navigation.

Comfort features include a 2019 bimini and sprayhood, providing shade and shelter, and teak decking in the cockpit for a premium feel. A spacious water tank of 710 liters and a 280-liter fuel tank support long journeys. The yacht has shore power and solar panels, ensuring power availability, with an onboard sound system

(radio/CD/MP3 with salon speakers) for added entertainment. Additional amenities include two electric fridges and a hot/cold deck shower.

The Bavaria 51 Cruiser 2016 is a versatile and comfortable option for memorable sailing adventures.
