

2016 Dufour 412 for sale

The Dufour 412 boat is a masterpiece of shipbuilding craftsmanship. The volume of the hull is outstanding, and the width of 4.20 meters makes it one of the largest in its class. The spacious cockpit allows you to use all available areas for sunbathing, relaxation, chilling in the sun, as well as having fun on the large rear aft deck. Dufour 412 is a pleasure to steer, and the boat is easy to moor. Your cruise will be perfect.
