

2016 Lagoon 400 S2 for sale in Greece

The **2016 Lagoon 400 S2** is a modern, spacious, and well-balanced catamaran designed for comfortable cruising and effortless handling. Known for its generous interior volume and excellent use of space, this model offers a bright saloon with panoramic windows, an L-shaped sofa, and a convertible dining table that can accommodate additional overnight guests.

With **four double guest cabins**, each equipped with its **own en-suite head**, plus **two crew cabins** and a separate **crew head**, it’s perfectly suited for both private family cruising and charter operations.

Refitted in 2023 and meticulously maintained, this Lagoon 400 S2 has been upgraded with **new exterior cushions, cockpit sofa, flybridge bimini, sprayhood, trampoline, and sunbathing pads**, enhancing both comfort and aesthetics.

Its twin **Yanmar 3JH5E 40 HP** engines with sail drives (approx. **3,80**0 hours) have been **serviced regularly by Yanmar-authorized** technicians, and **new three-blade propellers** were installed in 2024.

With a fully battened mainsail, self-tacking jib, electric winch, and comprehensive **Raymarine, Simrad**, and **B&G navigation** suite—including a **new chartplotter** (2023)—the yacht is exceptionally well-equipped for safe, easy, and efficient sailing.

For extended cruising, the boat offers excellent autonomy thanks to 2×200W solar panels, **new AGM service batteries** (2024), Whisper Power pure sine **inverter**, and comprehensive charging systems.

Additional highlights include a fully equipped galley, **Fusion sound** system, **new Arimar Hercules tender** with 6HP outboard, **new Delta anchor with 80m chain**, and full safety equipment including **EPIRB and liferaft**.

Ready for immediate viewing, this Lagoon 400 S2 stands out as a turnkey, stylish, and reliable catamaran **ideal for unforgettable adventures on the water**.
