

2017 Beneteau Oceanis 38

The Oceanis 38.1 cleverly combine practical features, performance, and elegance on boat sizes where function generally outweighs personalization. Very spacious and airy with good headroom both above and below decks. Optional arch with mainsheet mounted and also makes for a solid sprayhood construction and hand holds. Separate shower and toilet compartments. Shallow draft model and Yanmar engine.

AVAILABILITY: Due to be released from the fleet 30th April 2023.

NOTE: This vessel sustained some damage from Hurricane IRMA, and has been repaired following the builders guidelines. The pictures of the vessel were taken after the repairs were completed. Please contact your Broker for more detailed information on the repairs.

- Draught 1.65 m
- Total length 11.51 m
- Beam 3.99 m

- Number of engines 1
- Gas Diesel
- Power 29 hp
- Number of cabins (except saloon) 2
- Total number of berths 4
- Tanks – total capacity in litres 129 L

Construction

- hull construction: fibreglass
- deck material: textured fiberglass and teak in cockpit
- rudder type: spade
- keel type: fin
- where built: France

Engines and controls

- engine 1 hours run/date: 2985 @ dec 2023
- gearbox: saildrive sd20
- controls: tfx
- cooling system: freshwater with heat exchanger

Sails and rigging

- type: sloop
- spar maker/material: z-diffusion / aluminum
- standing rigging material: stainless steel
- running rigging material: cored braided line
- mainsail reefing: fully battened mainsail with inline slab reefing
- headsail roller furling: profurl

winches

- genoa winches: 2 harken 40, 2-speed, self-tailing
- main halyard winch: 1 harken 35, 2-speed, self-tailing
