

2018 Dufour 460 Grand Large

Description

The **Dufour 460 Grand Large**, built in **2018**, is a sophisticated and versatile sailing yacht designed to deliver exceptional comfort and performance on the water. With **four double cabins and four heads**, all equipped with **electrical toilets**, it offers ample space for family and friends, making it ideal for extended cruising or chartering.

The yacht has a **Volvo 75 hp** engine with a **sail drive** and **3,000 engine hours**, ensuring reliable mechanical performance. The onboard tankage includes **250 liters of fuel**, **530 liters of water**, and **four holding tanks**, each with a 40-liter capacity, allowing for extended autonomy during voyages.

The yacht is equipped with a comprehensive range of **high-quality electronics**, including a suite of **Raymarine** instruments for autopilot, chart plotting, depth sounding, wind speed and direction, and VHF communication, all integrated with NMEA 2000.

It features **Elvstrom sails**, with a furling genoa and mainsail, complemented by practical deck amenities such as a **bimini**, **cockpit cushions**, and a **deck shower**.

Inside, the galley is well-appointed with dual sinks, a 3-burner ENO stove, an oven, an **Isotherm refrigerator and freezer**, and a **Quick 50L water heater**. Additional features like cabin fans, a saltwater pump, and extensive anchoring gear further enhance the onboard experience.

The Dufour 460 seamlessly blends comfort, style, and performance, ensuring unforgettable sailing adventures.
