

2018 Lagoon 450F for sale in Greece

The **Lagoon 450 F 2018** is a spacious and well-equipped catamaran, ideal for both cruising and chartering. With a length of 13.96 meters and a beam of 7.87 meters, it offers a stable and comfortable sailing experience. Designed to accommodate up to **12 guests**, it features **four double cabins and two single bow cabins**, along with **four electric heads** and an additional manual head in the bow.

The fully battened mainsail and roller genoa, both from 2018, ensure excellent sailing performance, complemented by a **full set of B&G navigation** instruments, **autopilot**, and **GPS plotter**.

Powered by two **Yanmar 57 hp engines with 3,100 hours** as of November 2024, the vessel is well-maintained and reliable.

The large **fuel (1,000L)** and **water (700L)** tanks provide extended autonomy for long journeys, while **solar panels**, a **Fisher Panda 4000S generator,** and a **watermaker** enhance its self-sufficiency.

The deck and living spaces are designed for maximum comfort, featuring a bimini for shade, a spacious cockpit with cushions, a bow sunbathing area, and a well-appointed interior.

The galley includes **two refrigerators, a freezer, a microwave, and an extra fridge**, ensuring ample storage for provisions.

The yacht is equipped with an **electric windlass, a new anchor chain, two electric and two manual winches**, as well as a bathing ladder and an outdoor **hot and cold shower.**

Entertainment options include a **Fusion stereo system** with interior and exterior speakers.

Additional recent upgrades, such as a **new lazy bag**, freshly washed sails, and winter maintenance, ensure **the boat is in excellent condition**. The Honwave 3.5m dinghy with a 5hp Mercury outboard allows easy shore access, making this Lagoon 450 F a **perfect choice for comfortable and effortless cruising**.

Location: Preveza, Greece
