

2019 Bavaria C57 for sale in Greece

The **Bavaria C57 2019** is a luxurious and spacious sailing yacht designed for comfort and performance. With a length of 16.69 meters, a beam of 5.26 meters, and a draft of 2.49 meters, it offers ample room for sailing and onboard living.

This **privately owned vessel** features a versatile sail setup, including a 2019 in-mast furling system and roller genoa, as well as a brand-new North Sails G2 gennaker and staysail. Its accommodations include **four double cabins**, with the **option to convert two forward cabins into one**, plus a dedicated crew cabin equipped with a sink, marine toilet, basin, and storage space. In total, the yacht can sleep up **to ten guests** and features five heads with manual and electric WC systems, complemented by 25-liter holding tanks for convenience.

Equipped with premium amenities, the Bavaria C57 boasts a **Yanmar 110-hp engine with just 700 hours** of use, two steering wheels, and advanced navigation instruments by Raymarine, including dual GPS plotters and autopilot.

The yacht is energy-efficient, featuring five 100W solar panels, an inverter, and a 12V-220V power system supported by nine batteries installed in 2019.

On deck, the teak cockpit, **electric windlasses**, **bow and stern thrusters**, and

an **electric swimming platform** enhance ease of use and luxury. Additional features include a bimini, sprayhood, hot and cold deck shower, sound system with Bluetooth connectivity, and sun cushions.

For auxiliary needs, the yacht comes with a 2.7m Kapa Marine dinghy powered by a 2.3hp Honda 4-stroke outboard, as well as a Sea-Doo jet ski for added adventure.

This vessel delivers a perfect blend of style, comfort, and exceptional sailing performance.

Location: Elefsina, Greece.
