

2019 Bavaria C45 for sale in Azores

Description

The **Bavaria C45**, 2019, is a well-equipped sailing yacht designed for both comfort and performance. This vessel provides a balanced combination of spaciousness and stability. The yacht's hull is constructed from glass-reinforced plastic (GRP), ensuring durability and strength.

Powered by a 57HP **Yanmar 4JH57** engine with **1,730 hours** of operation and equipped with a tunnel bow thruster, the Bavaria C45 offers reliable propulsion and excellent maneuverability.

It features a fuel tank capacity of 245 liters and two water tanks totaling 650 liters, alongside a 40-liter hot water system and three 70-liter black water tanks, providing ample resources for extended voyages.

The exterior of the Bavaria C45 showcases a beautiful line with a spacious sunbathing area on deck and easy walk-around access. The **teak decks** and cockpit add both beauty and comfort, while the dual helm stations enhance visibility for docking and sailing.

The cockpit is designed with convenience in mind, featuring large tables that can be lowered to create sunbeds, extensive storage options including four lazarettes, and a dedicated life raft storage with drainage.

Additional exterior highlights include an electric windlass, composite bowsprit, dinghy garage, and a bathing platform with a stainless steel ladder and outdoor shower, making the vessel well-suited for leisure and practicality.

Inside, the yacht boasts a luminous “**Club**” **Oak style interior** with **Wenge floorboards** and offers two sets of upholstery for versatile comfort. The aft galley is practical for communication with the cockpit and safety during offshore sailing, equipped with a large white Corian worktop, double sink, three-burner stove, oven, extractor, and **two fridges**.

The saloon table can be lowered to create a large double bed, providing additional sleeping space. The yacht accommodates up to eight passengers in **four double cabins**, with the option to **convert the two bow cabins into one large cabin**.

Each of the three heads features a sink, cupboard, shower, teak floors, and **electric toilets** that use fresh water. Dimmable LED lights, reading lights with USB ports, and **OceanAir shades** with mosquito

nets enhance interior comfort and functionality.
