

2021 Bavaria C42 for sale in Greece

The **Bavaria C42 (2021)** is a state-of-the-art sailing yacht that seamlessly blends performance, comfort, and modern design. This **3-cabin cruiser**, with an additional table conversion for extra sleeping space, offers ample room for extended voyages or relaxed coastal cruising. Its upgraded teak decks enhance both the aesthetic appeal and durability, while the in-mast reefing system ensures effortless sail handling.

The yacht is powered by an upgraded **Yanmar 4JH57 57hp** diesel engine, supported by a double stainless-steel gantry with twin 100W solar panels for enhanced energy efficiency. The inclusion of an electric outboard further adds to the vessel's eco-friendly credentials, making it ideal for sailors who appreciate both power and sustainability.

Designed with luxury and practicality in mind, the Bavaria C42 boasts an extensive list of premium features.

The equipment includes an electric anchor windlass, additional service battery, cockpit shower, and mooring kit, ensuring ease of use and onboard convenience.

The interior is thoughtfully designed with the **Style Package**, offering fabric-

covered ceiling panels, ambient lighting, and high-quality upholstery for a refined living space.

Advanced navigation is provided by the **B&G electronics suite**, including a chart plotter, wind vane, and **autopilot**, while the Entertainment Package delivers a premium onboard audio experience.

Whether for coastal cruising or longer passages, this yacht provides an exceptional blend of performance, comfort, and modern sailing technology.
