

26-meter custom-built Gulet

This **26-meter custom-built gule**t, originally launched in 1998 and **fully refitted in 2024**, offers a harmonious blend of traditional craftsmanship and modern comfort.

The boat provides spacious accommodations for up to **12 guests across six en-suite double cabins**, each equipped with **air conditioning**. The layout also includes separate **crew quarters for four**, ensuring smooth service and privacy for guests.

Her solid technical foundation includes a **400 HP main engine, 12 KWA generator, and 15 HP auxiliary engine**, backed by a 2,000-liter fuel capacity and 4,500-liter fresh water tank.

The gulet is well-equipped for comfortable and extended voyages, featuring **Wi-Fi**, a TV and music system, two deep freezers, an **ice maker,** and a reliable hot water system. Entertainment options include **six sets of snorkeling gear**. A tender boat is also included for easy shore access.

Whether for private enjoyment or commercial charter operations, this vessel stands out with her updated amenities, generous deck space, and excellent condition,

making her a compelling investment opportunity in the Mediterranean charter market.
