

A wonderful boat to sail Bavaria Cruiser 49 with new engine

I put in a new Volvo Penta D2/75 in 2017. Unfortunately, I haven't been able to use it after that because of my health condition. The engine has run for about 65 hours.

A wonderful boat to sail and you have plenty of space inside and out.

Equipment

- Garmin 4012 chart plotter
- Sonar
- Radar Garmin HD
- 2 pcs. Fixed VHF one inside and one outside by steering.
- Central heating
- 12 kw of water heats the central heating and can be connected to hot water in the boat
