

Bali 4.0 for sale

The **BALI 4.0** (2017) is a modern cruising catamaran designed to deliver exceptional comfort, space, and ease of handling for family cruising or charter use. This sought-after **4-cabin** version, complemented by two additional forward cabins, offers generous accommodation for up to 10 guests while maintaining the bright, open living spaces that have made the Bali range so popular.

The innovative saloon and cockpit design create a seamless indoor-outdoor living area, featuring a large dining space, panoramic visibility, and excellent ventilation throughout. **Carefully maintained and presented in excellent overall condition**, she is fully equipped and **ready for extended cruising adventures**.

Powered by twin **Volvo Penta D2-40** diesel engines with sail drives, the BALI 4.0 provides reliable performance under power while her fully battened mainsail and furling genoa ensure enjoyable sailing in a wide range of conditions.

Her impressive equipment inventory includes a **watermaker, solar panels, electric toilets, refrigerator and deep freezer, complete navigation electronics package, autopilot**, electric windlass, tender with davits, liferaft, and recent biminis.

With spacious accommodation, practical cruising features, and the stability and efficiency of a catamaran hull, this BALI 4.0 represents an outstanding opportunity for sailors seeking a comfortable and **capable vessel ready to explore new destinations**.
