

BALI 4.1 for sale in Greece

The BALI 4.1 2020 catamaran for sale is a spacious and well-equipped vessel, ideal for comfortable cruising. With a battened mainsail and roller genoa, it offers a smooth sailing experience. It can accommodate up to 10 berths across 4 main cabins and 2 small forward cabins, with 4 electric heads that include holding tanks for added convenience.

It has substantial storage with a 400-liter fuel tank and an 800-liter water tank. The catamaran also comes with a customized, extra-large bimini for added shade and comfort on the deck and two 150W solar panels to assist with the power supply.

Powered by two 40hp Yanmar engines, each with around 2,450 hours, the vessel is equipped with a full set of Raymarine instruments, a Garmin GPS plotter on the flybridge, and a Raymarine GPS plotter in the saloon. It also features an Onan 7 KWA generator with 682 hours and an air-conditioning system that serves the main cabins and saloon for both hot and cold air.

Additional features include:

- Electric windlass (Lofrans 1500W) and hot/cold deck shower.

- Fusion sound system with Bluetooth and USB connectivity.
- A K Marine RIB dinghy (2.60m) for easy shore access.
- An electric winch for the mainsail, gas stove, refrigerator and freezer, VHF radio, and an inverter for added onboard power options.

Overall, this catamaran is well-suited for both leisurely cruising and longer voyages, with modern amenities and thoughtful upgrades that enhance both comfort and performance.
