

Bavaria 30 Cruiser for sale in Turkey

The **Bavaria 30 Cruiser from 2007** is a well-maintained sailing yacht featuring **two comfortable cabins**, perfect for small families or couples.

It is equipped with a reliable **Volvo Penta D1-30** engine with sail drive, and recent maintenance was completed in August 2024, ensuring she is in top condition with approximately **3500 engine hours**.

The boat has had three previous owners, the upkeep has been thorough, with antifouling applied in August 2024 and a new service battery installed in November 2023.

The sails are made of durable Dacron material, upgraded in 2022, providing excellent performance for cruising.

The boat is currently on the water and comes with a range of practical extras, including a Suzuki 2.5 hp outboard engine, a 2.4-meter dinghy, and a life raft, adding convenience and safety for coastal exploration.

Navigation and data are provided by a **Raymarine ST-60 tridata system**, and all systems have undergone control checks as recently as July 2024, ensuring that

everything is in optimal working order.
