

Bavaria 35 for sale in Greece

The classic Bavaria 35, built in 1996, offers a comfortable and spacious sailing experience. With its well-maintained hull and classic design, this vessel is perfect for cruising coastal waters and exploring secluded anchorages. Powered by a reliable **Volvo Penta 20 hp** engine, the Bavaria 35 delivers dependable performance and easy maneuverability. Below deck, the spacious layout features comfortable berths for up to six guests, a fully equipped galley, and a separate head. Whether you're an experienced sailor or just starting your nautical journey, this Bavaria 35 presents an excellent opportunity to own a well-crafted and versatile sailboat.

The boat is being sold "as is" and is in acceptable condition. The rudder will be installed after the replacement of the bushing.
