

Bavaria 36 Holiday for sale in Spain

The **Bavaria 36 Holiday** (1998, J&J Design), **never chartered, second owner**. It is a meticulously maintained sailing yacht with exceptional build quality, certified to Lloyd's oceanic category standards. It is in excellent condition and boasts a thoughtfully designed interior. Its **mahogany woodwork** remains pristine, complementing the spacious layout featuring **three double cabins**, a **full bathroom** with a **new Jabsco electric toilet** (including a spare engine), and a well-ventilated U-shaped living area with **1.90m headroom** throughout. The side kitchen is fully equipped with an **electric fridge (new compressor)**, a double sink, and a stove with a stainless steel oven. Ventilation is outstanding with 11 Gebo-brand opening portholes, while **LED lighting** enhances both interior ambiance and navigation efficiency.

This yacht is powered by a reliable **Volvo 2030 engine with only 1,600 hours** of use, delivering low fuel consumption and smooth performance. Its saildrive is in excellent condition, with recently replaced rubber, and the electrical system features a **new Victron Lithium Superpack 200amp** service battery, a Victron smart solar regulator, and a **360w solar panel** for sustainable energy. Navigation equipment is state-of-the-art, including a **Raymarine eS Hybrid touch 9" plotter** with updated maps, multiple **Raymarine i70 displays**, and a **Raymarine EV200**

linear pilot pack with **P70 display**. Safety and communication systems are comprehensive, with an Icom M33 handheld VHF, Raymarine Ray70 fixed VHF with GPS and AIS, an EPIRB, and an eight-person Plastimo life raft with updated documentation.

On deck, the Bavaria 36 is equally impressive, featuring a **teak deck in excellent condition**, a **new Rocna** anchor with 44m of chain, and six winches, including an **electric Harken 40**. Its **Selden furling mast**, Elvstrom mainsail, and Furlex-furled genoa are in good condition, offering effortless maneuverability with all controls leading to the cockpit. Additional highlights include a brand-**new dinghy with a Honda 2.4hp** outboard motor, a **Magma barbecue**, a 2022 anti-spray and bimini, and a swim ladder with a stern shower. With a full hull treatment, six layers of epoxy, and International **antifouling completed in June 2023**, this yacht is fully equipped and ready for immediate adventures on the water.

Location: Valencia, Spain
