We have received a nicely used and spacious Bavaria with 3 double cabins, 2 bathrooms with shower and wc. There is plenty of room here for friends and family who come to visit.

The boat is registered as a ship and can be mortgaged in the same way as a house.

The design shows that emphasis has been placed on the need for good space and a sense of space. Here you get a spacious and well-maintained boat with smart solutions for both couples and families with children. With the Bavaria 39 you have a boat with safe sea characteristics, good living comfort and modern design at a favorable price. On board you will find most of the equipment you can expect and need for a houseboat, weekend trip or holiday. With its 40 HP, the Volvo Penta is a reliable and sensible engine solution.

The Bavaria 39 suits most sailors. Do you want a cabin on the lake, a boat to live in or going on a long-distance boat?

Easy boarding through an opening in the row on each side or via a bathing ladder aft. The cockpit is clear and from here the skipper has a good overview of the boat and crew. It is easy for crew to move freely around the deck. Furling mainsail, all halyards & jibs are retracted elegantly via the cabin roof, she is easy to sail alone/single-handed. Large folding table with storage in the cockpit.

Below deck, the boat is delicate. There is good light coming in from hatches and windows. You will find the galley longitudinally on the port side with a gas oven with two burners, a fridge with good capacity, a double sink, plenty of storage for food and cutlery.

Beds for 6 people in three double cabins. Two bathrooms on board, one of which is connected to the owner's cabin in the bow. The bathroom aft has its own shower trap. All cabins have space for storage with both shelves and hanging cupboards.

Sea features:

She is CE certified class A â?? Bluewatercruiser for 8 people for sailing over open seas, so with her you can realize your long-distance sailing dreams.

With furling mainsail, furling genoa and all joints and halyards retracted to the cockpit, this is a boat that is very easy to handle alone/single-handed.
