

Bavaria 42 for sale in Greece

The Bavaria 42, manufactured in 1999, is a well-equipped and meticulously maintained private sailing yacht that offers a comfortable and spacious experience for sailors. With its four cabins and two WC facilities, it is designed to accommodate a sizable crew while providing a high level of privacy and convenience.

Powering this vessel is a reliable Volvo Penta engine with 50HP, boasting 2500 hours of operation. The boat’s performance is enhanced by a Roller Genoa installed in 2018 and a Furling Mainsail added in 2020, ensuring a smooth and efficient sailing experience.

The Bavaria 42 is not just functional but also stylish, featuring teak elements added in 2021 that contribute to its aesthetic appeal. The addition of a Bimini and sprayhood in 2019 enhances the onboard experience by providing shade and protection from the elements.

For exploration and recreation, the yacht comes equipped with a 2.40m dinghy from 2019, powered by a SUZUKI outboard engine with 2.5HP. Two 100-watt solar panels are incorporated into the design, promoting sustainability and reducing reliance on traditional power sources.

Navigation and communication are facilitated by a GPS Garmin 420S, VHF Mindland, and an Emergency Position Indicating Radio Beacon (EPIRB). The yacht is also equipped with a radio CD system, autopilot for enhanced navigation, and a live raft for eight people, ensuring safety during maritime adventures.

This Bavaria 42 represents an excellent opportunity for sailing enthusiasts seeking a well-appointed and seaworthy vessel for their nautical pursuits. Whether for coastal cruising or more extended offshore journeys, this yacht offers a compelling combination of performance, comfort, and functionality.
