

Bavaria 46 Cruiser for sale

The **Bavaria 46 Cruiser** (2015) is a spacious and comfortable cruising yacht designed for extended Mediterranean sailing, combining reliable performance with a high level of onboard comfort.

The yacht features a practical **3-cabin layout with 3 heads**, providing privacy and comfort for family cruising or entertaining guests.

The **interior is bright and well equipped**, including a fully fitted galley with gimballed cooker and oven, microwave, two refrigerators, Webasto heating, and a **premium private-owner specification**.

On deck, she benefits from a **fold-down swim platform**, **full teak decking**, **electric winches**, a powerful Volvo Penta D2-55 engine, and a **bow thruster** with a dedicated dual-battery system for easy manoeuvring.

Between 2022 and 2025, the yacht underwent an **extensive professional refit program**, with significant investment made to ensure reliability, safety, and comfort. Works included a complete **engine overhaul, new mainsail and jib** in grey laminate material, **new sprayhood and bimini**, replacement of **all marine toilets and sanitation hoses**, freshwater system upgrade, **new batteries**,

upgraded **Victron solar** and power management systems, **new Garmin navigation equipment**, **radar** installation, **new windlass**, and numerous deck, structural, and interior improvements.

This Bavaria 46 Cruiser presents a rare opportunity to acquire a thoroughly upgraded and exceptionally equipped cruising yacht, **ready for immediate adventures** in the Mediterranean and beyond.
