

Bavaria 46 Cruiser

A privately used **2007 Bavaria 46 Cruiser** is a spacious and well-equipped cruising yacht, offering an excellent combination of comfort, performance, and practicality for extended sailing adventures. She provides generous living space and reassuring sailing capabilities.

Powered by a **75HP Volvo Penta diesel** engine with approximately **4900 operating hours**, the yacht has been regularly serviced and is reported to be in **excellent working condition**.

Her **mainsail and genoa are approximately 5 years old** and remain in **very good condition**.

The **standing rigging** is original but was professionally **inspected in 2025** and reported to be **in excellent condition**.

The hull underwent **antifouling and polishing in 2026**, and the current owner, the yacht’s third, reports no history of damage.

The yacht comes **extensively equipped for comfortable cruising** and independent living aboard. Her electrical system includes **two 100 W solar panel**s

and **two 150 Ah batteries** installed in **2024**, while onboard comfort is enhanced by a heating system, fans in all cabins, a water heater, and both **electric and manual toilets**.

Navigation and safety equipment includes a **complete electronics package**, **EPIRB**, and a 10-person **liferaft from 2024**.

Deck equipment features a **Delta anchor with 80 m of 10 mm chain**, a 1500 W electric windlass, stainless steel gangway, bimini, and sprayhood.

Additional extras include a **tender with outboard** engine, Pioneer speakers, and a winter storage cover.

All onboard systems and equipment are fully operational and in excellent condition, making this Bavaria 46 a well-maintained and comprehensively equipped yacht, **ready for her next cruising adventures**.
