

Bavaria 55 Cruiser for sale in Greece

The Bavaria 55 Cruiser is a spacious and well-equipped sailing yacht designed for both comfort and performance. Built in 2010, this professionally maintained vessel features a modern sail configuration with a **furling mainsail (replaced in 2023)** and a **roller genoa (new in 2021)**, ensuring ease of handling and efficiency under sail. At 16.55 meters long with a 4.70-meter beam, the yacht offers a stable and smooth sailing experience, further enhanced by a powerful **Volvo Penta 110hp engine (5.300 hours)** and a **bow thruster** for precise maneuvering. On deck, the dual steering wheels, bimini, and sprayhood (both renewed in 2021) provide a practical and comfortable layout for extended journeys.

Below deck, the Bavaria 55 Cruiser accommodates up to **12 passengers in five cabins**, including four doubles, one bunk bed cabin, and a convertible saloon. Its interior is thoughtfully designed with modern amenities such as two electric heads with showers and an additional manual head. A generous **water tank (900 liters)**, **two fridges**, and an oven make it ideal for long voyages. **Solar panels, shore power, and a full suite of Raymarine navigation instruments**, including an **autopilot** and **Garmin GPS plotter**, ensure the yacht is self-sufficient and technologically advanced. Additional features such as a dinghy, **electric windlass**, and cockpit speakers make this yacht a perfect blend of functionality, comfort, and

enjoyment for cruising adventures.
