

Bavaria Cruiser 34 for sale in Greece

The Bavaria Cruiser 34 (2017) is a modern and well-equipped sailing yacht that offers comfort, performance, and versatility. This compact cruiser is designed for easy handling without compromising on space or style.

Featuring **three spacious cabins**, a convertible saloon, and a single head, it comfortably accommodates up to eight guests, making it ideal for family adventures or group charters.

The teak-clad cockpit and side decks provide a luxurious feel, while the **in-mast reefing system and newly upgraded sails (2024)** ensure an efficient and enjoyable sailing experience.

The double stainless-steel gantry with dual **100W solar panels** enhances its energy independence, making it perfect for extended cruising.

Equipped with a host of advanced navigation and safety systems, the Bavaria Cruiser 34 is ready for coastal and offshore sailing. The Smart Sailing Package includes a furling mast system, Dyneema halyards, and a Rodkick with a gas spring for optimized sail handling.

The cockpit boasts a **Garmin touchscreen** chart plotter with Adriatic and Ionian Sea charts, an **autopilot**, and a **VHF radio with AIS**, ensuring reliable navigation and communication.

For added comfort, the interior features blinds on **panoramic windows**, fans in the saloon and cabins, and a foldable saloon table.

An **electric outboard with a 2.3m dinghy** and a full complement of safety equipment—including a six-person life raft, lifejackets, and an EPIRB—adds to its impressive list of features.

Whether you seek performance or relaxation, this yacht perfectly balances any cruising adventure.
