

Bavaria Cruiser 46 for sale in Türkiye

The **2023 Bavaria Cruiser 46** is a modern 14.27-meter sailing yacht that **perfectly balances performance, comfort, and intelligent design**. Known for its spacious layout and ease of handling, this model has remained one of the most popular cruisers in its class, even earning the title of “European Yacht of the Year.”

This particular boat is presented in **near-new condition**, with only **150 engine hours**. Powered by a reliable **75 hp Volvo Penta** engine, she offers smooth cruising and confident maneuverability, further enhanced by a **bow thruster**, twin **carbon steering wheels**, and a **full B&G navigation system**.

The sailing setup includes a **furling mainsail and genoa**, making her easy to operate even with a small crew, while features like a **bimini, sprayhood**, and **day/night lighting** ensure comfort in all conditions.

Below deck, the yacht offers a highly desirable **4-cabin layout with 3 bathrooms and 3 electric toilets**, providing excellent accommodation for family cruising or charter use.

The interior is bright and modern, featuring a fully equipped galley with oven, **two refrigerators plus a deep freezer**, hot water system, and a **high-quality music**

and radio system for onboard entertainment.

Special flooring with white line detailing adds a refined, contemporary touch throughout the saloon. Designed for both relaxation and practicality, the Bavaria Cruiser 46 delivers generous living space, ample storage, and thoughtful details that make extended stays onboard a pleasure.

Trade-in options are available, including larger or similar models such as Bavaria 50, Beneteau 50/54 Cyclades, Jeanneau 49/53/60, or comparable yachts, offering flexibility for buyers looking to upgrade or exchange.
