

Beneteau Oceanis 46.1 for sale

The **Beneteau Oceanis 46.1** (2019) is an **exceptionally well-maintained** cruising yacht, thoughtfully upgraded for **comfortable long-distance sailing** and extended liveaboard adventures. Built to CE **Category A** standards and designed by Finot-Conq, she features a spacious **3/4-cabin layout**, **four electric heads**, and a bright, functional interior.

Powered by a reliable **78 HP Yanmar** Turbo Common Rail diesel engine, she combines excellent sailing performance with effortless maneuverability thanks to her **bow thruster**, twin composite steering wheels, **twin rudders**, and **electric bathing platform**.

Her sail plan includes both **in-mast furling mainsail and furling genoa**, making short-handed sailing easy and efficient.

This yacht has received extensive upgrades through 2026, making her truly turnkey. Recent improvements include a **brand-new galley**, **500W solar** array with MPPT, **2.5 kW power station**, Victron energy management system, **400 Ah LiFePO₄ lithium battery bank**, **new running rigging** (2025), **Webasto** diesel heating, **AIS**, dual **B&G chartplotters**, B&G **autopilot**, dual VHF radios, a **Delta anchor with 75 m of calibrated chain**, and a removable bimini with a **new**

sprayhood.

Additional conveniences such as a direct shore water connection, LCD energy monitoring, blue/white courtesy lighting, and a convertible saloon further enhance onboard comfort.

Presented in **excellent condition and ready for her next owner**, this Oceanis 46.1 is an outstanding opportunity for family cruising, bluewater passages.

Private seller.
