

Beneteau Oceanis 50 for sale in Türkiye

The **Beneteau Oceanis 50 (2011)** is a well-maintained owner's yacht, equipped for serious cruising and liveaboard comfort.

Powered by a reliable **Yanmar 110 hp** engine and a **newly replaced sail drive**, she also features an **Onan 6 kW generator**.

The boat is outfitted for extended independence with a 60 L/h **watermaker**, **Webasto** heating, and **three powerful BTU air conditioning units**.

Navigation and safety are enhanced by a **full Raymarine suite including radar and AIS**, while solar panels (2 x 145 W) help sustain onboard energy needs.

The **standing rigging was renewed in 2022**, and high-performance **UK sails were added in 2023**, along with **all new ropes**.

Deck equipment includes **four Harken winches, one of which is electric**, a 25 kg anchor with 100 m of chain, and a **bimini and sprayhood replaced in 2022**.

Comfort at the helm is ensured with clear visibility and efficient layout under the wheel. The yacht also comes with a 2.20 m dinghy and a 4 hp Tohatsu outboard, perfect for shore excursions.

Power is supported by three AGM Warta 125 Ah batteries. While the vessel is in solid overall condition and well-equipped for cruising, the primary cosmetic issue is the thinning teak deck, which may require attention in the near future.

Location: Marmaris, Turkey
