

Beneteau Oceanis Clipper 393 for sale

The **Beneteau Oceanis Clipper 393** (2002) is a well-balanced cruising yacht designed for comfort, reliability, and extended time at sea. **Owner's version, 2 cabins, 2 heads.**

Powered by a dependable **55 hp Yanmar** engine with approximately **2600 hours**, she offers solid performance under power, complemented by a small Honda 1.5 hp outboard for the included 2.40 m dinghy.

Her deck is thoughtfully equipped for easy handling, featuring an **electric windlass with remote control**, a 50 m anchor chain, **bow thruster**, **solar panels** (200W), and a full cockpit setup including sprayhood/bimini, stern shower, gangway, and spacious aft platform, making her ideal for both marina stays and anchoring in remote bays.

Navigation and onboard systems support safe and comfortable cruising, with **GPS/chartplotter**, **Furuno radar**, VHF radio, **autopilot**, depth sounder, and **full engine monitoring display**. The electrical setup includes shore power, battery charger, heating system, and **new batteries** (100Ah engine and 2×225Ah).

service).

Inside, the yacht offers a practical and comfortable living space with a fully equipped galley (stove, oven, fridge), sound system, and ample room for relaxing.

Safety is well covered with **life jackets, life raft, EPIRB**, fire extinguishers, and complete emergency equipment, making this vessel a reliable choice for family cruising or longer voyages.
