

Beneteau Oceanis Clipper 411 for sale

The **Beneteau Oceanis Clipper 411** (2000) is a spacious and thoughtfully upgraded cruising yacht, presented in the highly practical **4-cabin layout**, making her ideal for both family sailing and charter use.

The interior is well-designed, featuring three double cabins and a fourth cabin with bunk beds, complemented by **two bathrooms** equipped with upgraded **electric toilets**.

The galley is fully functional with a **new gas oven 2026**, double sink, and top-loading fridge, while recent enhancements such as a **memory foam mattress** (2025) add an extra touch of comfort for extended stays onboard.

This yacht has benefited from **significant upgrades between 2024 and 2026**, ensuring she is truly turnkey and ready for immediate cruising.

The Yanmar 4JH3E 56 HP **engine was fully overhauled in March 2026**, while **new solar panels (2x200W)** with a Victron Bluetooth controller, a **full battery replacement**, and a **Webasto heating system** provide modern efficiency and

autonomy.

On deck, she is equally well-equipped with in-mast f**urling mainsail and genoa (new 2022)**, electric windlass with remote control, and a full cockpit enclosure including bimini and sprayhood for all-weather comfort.

With updated navigation **electronics from B&G, autopilot, GPS plotter**, and Icom VHF, this Oceanis 411 stands out as a reliable, comfortable, and well-maintained cruiser, perfectly prepared for the sailing season.
