

Beneteau Oceanis Clipper 411 for sale

Description

The 1999 **Beneteau Oceanis Clipper 411** is a well-maintained **private yacht**, under the same ownership since 2002 with **full service records and logbook** available.

Designed for comfort and performance, she features an owner's **forward master cabin** with ensuite, plus **two additional double cabins**, offering a total of three doubles and berths for up to six guests.

With a spacious saloon, fully equipped galley, and teak-finished deck, she balances liveaboard comfort with capable bluewater cruising ability.

The yacht has been regularly serviced and upgraded, including **new cockpit cushions** and domestic **batteries** (2025).

A survey was completed in 2017 and again in 2022, confirming her seaworthy condition- she is **on the water now and ready to sail**.

Equipped with a reliable **Volvo MD22 P 59hp** diesel engine and a three-bladed fixed propeller, she cruises comfortably at 5 knots with a maximum speed of 8 knots, consuming **only 2.6 l/hr**.

The sail inventory includes two fully battened mainsails, two genoas, storm sail, cruising chute, and jib with flying forestay- ensuring versatility for a range of conditions.

Navigation and safety gear are comprehensive, including **radar, autopilot, chart plotter, VHF, EPIRB, liferaft, and life jackets**.

Practical upgrades such as solar panels, generator, **new anchor chain** (2024), and ample storage make her ideal for extended cruising.

With her proven Oceanis hull design, fin keel with bulb, and aluminium arch, this Clipper 411 offers a strong balance of performance, safety, and comfort.
