

Brand new boat Viko S35 for sale in Slovenia

Brand new Viko S35 for sale in Slovenia is a modern sailing boat designed and manufactured by the Polish yacht builder Viko Yachts. With its sleek lines, spacious deck, and comfortable interior, the Viko S35 is an excellent choice for sailing enthusiasts who are looking for a reliable and high-performance cruiser.

The Viko S35 is a 35-foot-long sailboat with a displacement of 4,850 kilograms. It has a beam of 3.5 meters and a draft of 1.95 meters. The boat is constructed using a vacuum infusion technology, which makes it lightweight yet sturdy. The Viko S35 has a modern hull design with a long waterline and a plumb bow that provides excellent speed and stability.

The deck of the Viko S35 is spacious and uncluttered, making it easy to move around while sailing. The cockpit is designed for comfortable seating and features a foldable cockpit table. The boat has a large swim platform at the stern, which is perfect for swimming and sunbathing.

The interior of the Viko S35 is modern and stylish, with plenty of natural light and ventilation. The boat has a spacious saloon with a U-shaped settee and a folding

table that can seat up to six people. The galley is well-equipped with a gas stove, oven, fridge, and sink. The boat has two cabins, including a spacious owner’s cabin in the bow and a guest cabin in the stern. The boat also has a fully equipped bathroom with a shower and a marine toilet.

The Viko S35 is a performance-oriented sailing boat that is easy to handle. The boat is equipped with a standard fractional rig with a self-tacking jib, which makes it easy to sail single-handedly. The boat has a deep keel and a large rudder, which provide excellent maneuverability and control. The Viko S35 is also available with an optional performance package, which includes a taller mast, a larger genoa, and a spinnaker.

Overall, the Viko S35 is a well-designed and well-built sailing boat that offers excellent performance and comfort. Its modern design, spacious interior, and performance-oriented features make it an excellent choice for sailing enthusiasts who are looking for a high-quality cruising boat.
