

# Catamaran 2007 Broadblue 385 for sale in Greece

The Broadblue 385 catamaran for sale, built in 2007, is a well-regarded private sailing vessel designed for both performance and comfort. This 38.5-foot catamaran offers a blend of speed, stability, and spacious living accommodations, making it ideal for long-distance cruising and liveaboard lifestyles.

The Broadblue 385 features a robust and seaworthy design with a moderate beam and a sleek profile. Its hulls are constructed using high-quality materials, ensuring durability and resilience in various sea conditions. The boat is equipped with efficient sail plans and rigging. It offers a good balance between speed and handling, making it suitable for both seasoned sailors and those new to catamarans.

The catamaran boasts spacious and well-appointed interiors. It features a four-cabin layout, providing ample sleeping space for 10 people. The saloon area is bright and airy, with large windows offering panoramic views and plenty of natural light.

The galley is well-equipped with modern appliances, ample storage, and counter space. The dining area is comfortable, with seating for the entire crew.

The deck layout is practical, with wide walkways and plenty of space for sunbathing and enjoying the outdoors.

The catamaran is powered by two Yanmar diesel engines serviced in June 2022, providing reliable and efficient propulsion. It also includes modern navigation and communication systems, ensuring ease of operation and safety at sea.
