

Comfort 32 for sale in Greece

1980 Comfort 32 for sale, in absolutely excellent condition! The boat is 32 feet, it is very comfortable, cozy, solid, and seaworthy. Six of us recently traveled for a week around the Ionian Islands with ease.

The boat is well-maintained and ready to go, no additional investments are required. It is a fair boat with a transparent history.

The previous owners sailed from Sweden to the warm waters of Greece from 2021 to 2023, navigating via the English Channel, the Bay of Biscay, Gibraltar, and into the Mediterranean Sea along the coasts of Spain, France, Malta, Italy, Albania, reaching Greece in December 2023.

The current owner installed a new winch, anchor chain, and anchor, replaced the dinghy (completely new), repaired the black tank, serviced the latrine, and carried out a full engine service (changed the oil, all filters, impeller, etc.).

This boat is completely prepared for immediate travel through Greece or further across the seas. There is no need to spend time and money on preparation for sailing. Unfortunately, due to family circumstances, the owner is forced to sell this

wonderful boat in a condition that is hard to find on the market today.

The boat is currently in Lefkada, Greece, registered under the Polish flag. It includes some extras, including excellent Nikon binoculars, life jackets, a wetsuit and light diving equipment, board games, fishing gear, SUP, a full set of tools, and more.

Location Lefkada, Greece

Flag Poland
