

Compromis 36 C-Yacht for sale

This well-maintained **C-Yacht (Compromis C 36 Class)**, built in 1997, is presented **in excellent condition** and has had **only two owners**.

She is powered by a **Yanmar 3JH2-E** intercooler engine rated at 28.5 kW, with just **2295 engine hours**, coupled to an **SD31 saildrive**.

A **bow thruster** makes manoeuvring easy, while the recently renewed **rigging (2022)**, **new 2026 mainsail**, **electric furling system**, genoa, barely used high-aspect jib and gennaker provide a versatile and efficient sail plan.

The boat is **exceptionally well equipped** for comfortable and independent cruising. Her **300 L freshwater** and **150 L diesel tanks** are complemented by a 60 L **waste-water tank**, Webasto heating, 60 L hot-water boiler and a 20 L freezer.

The well-appointed interior features **two comfortable cabins**, separate heads and a fully equipped galley, offering everything needed for enjoyable and comfortable cruising.

The electrical system includes **3 × 100 Ah lithium house batteries**, dedicated

starting and service batteries, **360 W of solar panels** and a **Victron**-managed charging system.

Navigation equipment includes a **Raymarine chartplotter, autopilot with ST6001+ control and 400G computer**, speed/depth/wind instruments, **radar**, **AIS** transponder, DSC VHF and Plastimo compass.

Safety equipment includes a **4-person liferaft, EPIRB, SART**, harnesses and lifelines. Further recent upgrades include a **2024 windlass with remote control and chain counter**, a **20 kg anchor with 80 m of chain**, a new **2026 aluminium hard-bottom dinghy**, EZ Raft and a **2023 Yamaha 5 HP outboard**, with an additional Suzuki 5 HP outboard.
