

Conati 31 for sale in Greece

The Conati 31 for sale in Greece is a classic sailboat built in 1979. This custom-built vessel offers a unique and timeless design, perfect for those seeking a traditional cruising experience. While the boat is in fair condition, it will require some maintenance and upgrades to bring it up to its full potential.

The Conati 31 is a great opportunity for a sailor looking for a project. With its spacious layout and classic lines, this boat has the potential to be a beautiful and functional vessel.

The boat is sold as is. All the equipment can be seen in the pictures/videos or in description. The owner doesn't make any upgrades and repairs.
