

Conati 31 for sale in Spain

The **Conati 31**, built in 1979, is a classic sailing yacht located in Tarragona, Spain, and registered under the German flag. This 9.5-meter vessel features a GRP/plastic hull, offering durability and low maintenance. With a beam of 3.36 meters and a draft of 1.5 meters (shortened by 30 cm to accommodate channel depths), the yacht is both spacious and versatile.

The interior layout includes **two cabins** with berths for four, plus two additional berths in the saloon, making it ideal for family cruising or small-group sailing adventures.

The yacht also includes **one head, two sinks, and LED lighting** throughout for comfort and practicality. A gas stove/oven, a cooling box, and comprehensive kitchen utensils provide everything needed for extended stays onboard.

The Conati 31 is powered by a reliable **Yanmar 1GM 10** diesel engine (**installed in 2009**) with 4.3 kW of power, complemented by a Yamaha 5 hp outboard engine for emergency use.

It is **equipped with essential navigation and safety tools** such as a compass, depth sounder, bilge pump, fire extinguishers, and spinnaker poles.

Sailing equipment includes a **roll jib system, main sail, jib, storm jib, genoa, and spinnake**r, ensuring versatility across various wind conditions.

The yacht also boasts modern conveniences like a dinghy (2023) with a new Yamaha YAM 200T 2.5 hp outboard, an anchor with chain and leash, and extensive tools and materials for maintenance.

With its thoughtful design and robust features, this yacht offers a dependable and enjoyable sailing experience.

Location: Tarragona, Spain

Flag: Germany

The yacht was transferred from Germany via the rivers and canals to Spain.
