

Corsair F24 MKII fast cruising trimaran

The Corsair F24 MKII sailboat for sale, built in 1999, is a versatile vessel designed for sailing adventures. Its sleek hull and efficient design allow for swift and enjoyable sailing experiences. The boat is equipped with a variety of sails, including a mainsail, jib, screecher, spinnaker, and storm sail, allowing for optimal performance in different wind conditions. The sails are supported by furling systems, making handling easy and efficient.

In terms of electronics, the vessel features a compass, speed and depth instruments, a solar panel with regulator, a radio, and a tiller pilot. These modern amenities enhance navigation, safety, and comfort. The boat is powered by a Yamaha F8MHL 5.9Kw outboard engine, providing reliable propulsion. Additional features include a Rocna anchor, a para anchor, safety equipment, a marine toilet, and a road trailer with an Italian license plate, making it convenient for transportation and exploration.
