

Custom motorboat for sale in Preveza

The **2009 fast custom motorboat** is a well-maintained 9.90 m vessel. It is powered by **two inboard YANMAR 4LHA** diesel engines of **240 HP each**, installed new, with **only 430 operating hours** per engine.

The vessel is designed for reliable performance and efficiency, reaching a **top speed of approximately 25 knots**, while comfortably cruising at an **economical speed of 18 knots at 2,600 RPM**. It is certified for **up to 8 passengers**.

The boat is fully equipped with modern electronics and mechanical accessories, including a **400W solar system**.

The hull and interior are extensively **protected with a West System epoxy coating**, ensuring durability and long-term structural integrity.

It has been meticulously maintained both mechanically and structurally, **used only 3-4 months during the summer season, and stored under cover** for the rest of the year in a private facility.

A dedicated **trailer can be included**, allowing easy transport from storage to the shipyard for launching.
