

Custom 36 feet sailboat

Custom 36 feet sailboat, completely refurbished and in excellent condition. The boat has just undergone a **full restoration**, including the **rebuilding of the stern, cockpit, and deck in mahogany and teak**, replicating the original design.

Equipped with a **new engine and new sails**, it is fully serviced and ready for the water. In July 2024, antifouling was completed, and the engine was serviced, ensuring smooth performance.

The boat also boasts **new interior and exterior cushions**, a **new mainsail bag**, and a **new refrigerator** installed in March 2024.

The entire boat has been meticulously painted with two coats of nautical epoxy primer and four coats of anti-UV polyurethane paint, providing lasting protection and a sleek finish.

With its restored teak deck and modern upgrades, this Motorsail offers a beautiful blend of classic craftsmanship and contemporary comfort. It's a dream boat, needing no additional work and **ready to sail immediately!**
