

Dufour 29 for sale in Greece

The Dufour 29, launched in 1977, is a well-equipped sailing yacht characterized by a blend of performance and comfort features. It measures 29.33 feet in length and 9.67 feet in width, with a draught of 1.6 meters and a total weight of 3,289 kilograms, including a ballast of 1,200 kilograms.

The vessel is powered by a Volvo Penta MD 6A engine, ensuring reliable propulsion. The sail inventory includes a Genoa, two staysails, a mainsail, and a spinnaker housed in a snuffer, complemented by four winches. An electric winch for the anchor, three anchors, and a 50-60m 8mm chain provides ease in mooring.

For navigation and safety, the boat is equipped with radar, an echo sounder, AIS, NAVTEX, and a new radio station equipped with distress features. The living amenities onboard include a gas-powered fridge with a freezer, a gas stove, and a toilet with a septic tank, enhancing comfort for longer journeys. Additional conveniences include davits, a pantograph for an outboard motor, a ladder, and a life raft suitable for 4 persons.

The boat’s fuel and water capacities are served by a 50-liter stainless steel fuel tank

and a 150-liter water tank, respectively, complete with a water meter. Essential upgrades include two new 100amp/h batteries, a Goodrich bushing (renewed in 2024), and fresh antifouling applied in 2024. This blend of robust sailing capabilities and thoughtful amenities makes the Dufour 29 an appealing choice for both leisure and adventure sailing.
