

Dufour 38 Classic for sale in Greece

The **Dufour 38 Classic** (2001) is a **well-maintained and extensively upgraded** cruising yacht, perfectly suited for comfortable family sailing or extended liveaboard adventures. Featuring a practical **three-cabin layout and one head**, she offers a spacious and welcoming interior with a bright saloon and a fully equipped galley.

The cockpit is generous and user-friendly, complete with a foldable table and **autopilot** (electro hydraulic raymarine) system for effortless navigation.

Powered by a reliable and **recently serviced 40hp Volvo Penta** diesel engine with sail drive, and supported by **160L of fuel and 340L of water** capacity, the yacht is well-prepared for extended time at sea. With **no leaks and all systems functioning properly**, she is truly ready to sail.

This yacht benefits from numerous recent upgrades and maintenance works, enhancing both safety and onboard comfort. Energy efficiency is ensured with **two new 200W solar panels**, a Power Queen MPPT controller, and modern **LiFePO4 lithium batteries**.

The **rigging has been fully checked**, including a **new forestay** and Dyneema sheets and halyards throughout, while additional technical improvements include

servicing of bilge systems, water heater repairs, engine service, and upgraded anchoring equipment with a 1000W electric windlass and marked chain.

Safety features such as a smoke detector and fire blanket have been installed, and various comfort upgrades include improved galley lighting, restocked equipment and bedding, a refurbished sprayhood, and additional deck gear.

The package is completed with a dinghy and 5hp outboard, as well as diving, fishing, foil, and kite equipment, making this a truly turnkey yacht.
