

Dufour 38 Classic for sale in Greece

Description

The **Dufour 38 Classic (2001)** is a well-maintained and fully equipped cruising yacht, ideal for comfortable sailing adventures. Featuring **three cabins and one head**, this vessel offers a spacious interior layout complemented by a generous galley and lounge area, perfect for family trips or extended voyages.

The cockpit is roomy and includes a foldable table and **autopilot** system for ease of navigation.

Powered by a reliable **40hp Volvo Penta** diesel engine (2800 hours) with **sail drive**, the boat holds 160L of diesel and 340L of fresh water, ensuring extended autonomy at sea.

This yacht is ready to sail, with no leaks and all systems in excellent working order.

Recent upgrades include **two new 200W solar panels**, a Power Queen **MPPT controller**, and **LiFePO4 lithium batteries** for energy efficiency and off-grid capability.

The **rigging has been fully checked**, with a **new forestay**, and **all sheets and halyards replaced with Dyneema** for durability.

It comes with a 1000W electric anchor windlass and a full set of sails, including an asymmetric spinnaker, all in great condition.

Additional extras include a **dinghy with a 2,5hp outboard**, diving and fishing gear, and even foil and kite equipment, making this boat a superb package for the adventurous sailor.
