

Dufour 425 GL for sale in Spain

Description

Dufour 425 Grand Large is an exceptionally well-equipped and meticulously maintained example of the sought-after Dufour 425 Grand Large. Launched in 2008 and **never chartered**, this performance cruiser has been extensively upgraded for serious offshore sailing while remaining easy to handle solo or with a light crew.

Featuring a robust sail wardrobe, **upgraded Raymarine electronics** including **dual Axiom** chart plotters, a reliable **Volvo D2-55** engine with saildrive (professionally serviced), and a full suite of safety and cruising gear including solar power, liferaft, EPIRB, and a new Rocna anchor, HONEY is **ready for immediate bluewater adventures**.

Her spacious **3-cabin, 3-head** layout makes her ideal for long-term cruising or liveaboard life, offering both comfort and privacy. Thoughtfully designed and maintained, she boasts a **recently antifouled hull, all-new running rigging (2023)**, and upgraded deck hardware for performance and reliability.

Equipped with a Takacat tender, Suzuki outboard, full galley with 4-burner gas cooker, new freshwater pump and filter, plus a comprehensive inventory of tools, spares, and safety gear, Dufour 425 Grand Large stands out as a turnkey cruising yacht.

Whether coastal hopping or crossing oceans, she offers a rare blend of speed, comfort, and dependability.
